BIOGRAPHY

Short Bio (50 words)

KAOLI crafts a pop universe infused with Japanese influences, blending immersive productions with a bold modern sound. Her music moves between raw energy and emotion, carried by atmospheric arrangements. On stage, KAOLI delivers performances that are both intimate and intense, creating space for a genuine connection with the audience.

Full Bio (100 words)

KAOLI is a Swiss-Italian and Japanese singer and songwriter. She crafts a pop universe infused with Japanese influences, blending immersive productions with a bold modern sound. Her music moves between raw energy and emotion, carried by atmospheric arrangements.

On stage, KAOLI delivers performances that are both intimate and intense, creating space for a genuine connection with the audience. Her lyrics reflect the journey of someone constantly shaping themselves, a process many can relate to. KAOLI builds a rich musical world and collaborates with artists she loves, bringing her stories to life through a shared experience.
